Students in Healthy Fitness Zone (As of: 2012-13)

In the spring of each year, schools are required by the state to administer a physical fitness test to all students in grades five, seven, and nine. The physical fitness test is a standardized evaluation that tracks the development of high-quality fitness programs and assists students in establishing physical activity as part of their daily lives.

SCHOOL PROFILE 2013-2014

School and Community

Freedom High School (FHS) was opened in 1996 as the second of 3 comprehensive high schools in the Liberty Union High School District, serving the residential areas of Brentwood, Byron, Oakley and Bethel Island and accredited by the Western Association of Secondary Schools and Colleges. The academic year is based on a modified calendar starting the last week in July and ending in June, with two-week breaks between each quarter. Grading periods are based on two semesters of 18 weeks each. The school offers an 8-period block schedule, alternating between “A” and “B” days (periods 1-4 and 5-8, respectively.) Counselors’ caseloads are approximately 850 students per counselor.

FHS is located in the city of Oakley, a rural-suburban setting which has experienced rapid residential and commercial development over the past decade. Freedom’s student population has grown from approximately 1690 in 2001 to over 2611 students. However, the recent economic down-turn of the past several years has significantly impacted the local economy and the families served by our district. Despite increased challenges, academic performance index (API) values have consistently increased over the same period. FHS has focused on raising achievement level for all students, while narrowing the gap for our five targeted sub-groups, Hispanic, English Language Learners (ELL), Special Education (SPED), African American, and Socio-Economically Disadvantaged (SED) students. We have 34% of population receiving free and reduced lunch.

Staff

Freedom High School features an average class size of 29 students. There are 111 certificated teaching staff, plus a principal, 4 assistant principals, 3 counselors, a school psychologist and a part-time librarian. There are 45 classified staff, including secretaries, technical support workers and campus supervisors.

Marking System

<u>Letter Mark</u>	<u>Grade Points</u>	<u>Weighted GP</u>
A = Excellent	4.0	5.0
B = Good	3.0	4.0
C = Average	2.0	3.0
D = Passing	1.0	1.0
F = Failing	0.0	0.0

Ethnicity

American Indian/Native	2.0%
Asian	2.9%
Black Non-Hispanic	11.9%
Filipino	5.4%
Hispanic	27%
Multiple or No Response	8.0%
Pacific Islander	6.8%
White*	36%

*Students/parents self-report identification as Hispanic or Latino but these results are not reported in the method indicating ethnicity. Students successfully completing a class (with grade of D or better) are awarded 5.0 credits per semester. Advance Placement (AP) classes are weighted and class ranking is determined using a weighted GPA.

Curriculum

College Preparatory and Advanced Placement courses: A “p” designation before the class title denotes that this is a University of California approved college preparatory course. Advanced Placement courses (denoted by “AP”) are offered in American Government, Art History, Biology, Calculus, Economics, English 3, English 4, Psychology, Spanish, U.S. History and World History.

Liberty Union High School District, www.luhhsd.net/freedom

Freedom High School does not discriminate on the basis of race, color, national origin, sex, or disability.

Academic Honor Societies California Scholarship Federation, National Honor Society

Graduation Requirements*

***California High School Exit Exam Requirements**

Students must pass the CAHSEE in English and Mathematics.

***Course Credits**

The following courses and credits are graduation requirements:

<u>Credits</u>	<u>Course Requirements</u>
40	English
30	Social Studies (World History, US History, Economics/American Government)
30	Mathematics
20	Science
10	Fine Arts or Foreign Language
20	Physical Education
5	Health Education
<u>115</u>	Electives
270	Total credits required for graduation (10 credits = 1 year)

Ninth and Tenth Grade Core

Students are randomly assigned to one of the four (4) building communities and remain throughout their tenure at FHS. The building communities feature common core teachers in English and Social Studies, as well as an Assistant Principal, Counselor and Secretary. This structure allows students to experience a smaller school within a large school setting and a more personal and supportive educational community. FHS embraces the PLC (Professional Learning Community) model, which encourages varying groups of staff to collaborate and work towards a common goal of improving student learning outcomes.

Academy Program

There are three academies in place for the 2012-2013 school year, each with a particular focus and career paths. The FHS Academies programs are Communications (formerly Arts and Media) for majors in mass media, music/theater arts, visual commercial art and business; "STEM" (Science, Technology, Engineering and Math, *formerly BETA*) majors in biotechnology, computer technology, architecture, engineering and construction; and "PHD" (Professional Human Development) majors in education, protective services and social services.

The Academy goals are to provide students, at the completion of high school, the option of entering the job market, enrolling at a community college/technical school, or pursuing collegiate studies with a clearly articulated academic background in a particular area.

Liberty Union High School District

Liberty High School

libertyunion.schoolwires.net/liberty

Address: 850 Second Street, Brentwood, CA 94513

Phone: (925) 634-3521

Principal: Patrick Walsh

Grade Range: 9-12

Schedule: A/B Block (4X4 2005-2009)

Calendar: Modified Traditional

Liberty High School is the oldest comprehensive high school located in Brentwood, one of the fastest growing communities in Northern California. Opened in 1902, the school is situated in the original downtown area, currently being redeveloped and expanded to encompass a new city hall. We are surrounded by farmland and housing developments, reflecting the shift from an agricultural to a suburban community. Liberty currently operates under an A/B block schedule, which allows for depth as well as breadth of learning. The campus embodies the Liberty Union High School District's commitment to personalized student education through grade level learning communities.

STUDENTS

Liberty High School has twice been named a California Distinguished School. Our last WASC accreditation was in the spring of 2011. We received a six year accreditation with a three year review. Valid through 2017.

ACADEMIC PERFORMANCE

Liberty High School's commitment to state standards is evident in curriculum development, pacing guides, common assessments, and standardized test results. We offer four academies that allow students to concentrate in a particular area of interest. The four academies include: Teaching and Learning, Arts and Humanities, Health, and Business and Technology.

BEYOND THE CLASSROOM

Liberty's focus on learning takes place both in the traditional classroom, as well as a wide variety of venues. Students are engaged in learning on the athletic field, the theater stage, the band room, the debate podium, the ceramics studio, the art room, and the video broadcast booth. With over forty clubs, Liberty taps the interest of students, facilitates self-exploration, and encourages participation in the larger school community. Liberty partners with the Academic Boosters, Athletic Boosters, Parents of Playmakers, 80 Volts Choral Support & the Grad Night Committee.
